Profile

I am a highly motivated and enthusiastic Front-End Developer specializing in web development. Currently, I work with HTML, CSS, and JavaScript. I am passionate about expanding my knowledge and learning new programming languages. With strong problem-solving skills and a drive for continuous growth, I am confident in my ability to tackle any challenge and deliver outstanding results. Additionally, I possess skills in design.

Work Experience

- FREELANCE TRADITIONAL ILLUSTRATOR:
 - I frequently create traditional illustrations, with clients primarily consisting of close friends, classmates, and family members, such as siblings.
- FREELANCE DIGITAL ILLUSTRATOR:
 - Currently, I am working as a freelance digital illustrator, focusing on the development of a novel project with a colleague, which we plan to release in 2025. Additionally, I regularly undertake digital illustration projects from friends and other clients.
- FREELANCE 2D ANIMATOR:
 - I am currently involved in a project for creating advertisements, specializing in 2D animation using animation software.
